OUR SERVICE

We firmly believe that the service shouldn't be an optional. We deliver, set up and attend every single buffet. We are passionate for details and we care for your clients and coworkers as much as you do.

All this is included in our prices, no hidden costs at all.

The image shows two white square plates, each containing three mushroom appetizers. Each appetizer consists of two mushroom caps with a filling of blue cheese and green herbs, served on a large green leaf. The plates are placed on a light-colored wooden cutting board, which is set on a wooden table. The background is a dark grey gradient with a faint image of tomatoes and a semi-transparent version of the appetizer plates.

OUR FOOD

We hand pick all our ingredients and we cook all our dishes from scratch. We prepare every single bite only a few hours before the event because we believe that's the only way to do it.
